## THE ORIGINAL NAIL GEL

BIOGEL is the original, professional, soak-off, easy wear nail gel system in a jar. With a 5-star Safety Rating boasting natural nail health, while beautifully enhancing and transforming any nail. A scientifically formulated pure gel range which varies from flexible to solid, BIOGEL is suitable for every nail type and is excellent for extending & strengthening nails. BIOGEL is durable, chip resistant, self levelling, with a long-lasting gloss finish, and removes within 10 to 15 min. With a range exceeding 200 colours, nail art and overlay possibilities are endless. New fashionable colours are launched seasonally, adding to the BIOGEL range with a matching nail polish range.

Treatment gels are available in:

### Soft Gel

4,5g Item Code: 12\_4  
10g Item Code: 12\_10  
25g Item Code: 12\_25

Base layer and upper arch strengthening layer to soft, flexible nails. Soft Gel provides strength and support to the nail, yet still complimenting the natural nails flexibly. Ideal to seal nail art / French overlay.

### Base Gel

4,5g Item Code: 09\_4  
10g Item Code: 09\_10  
25g Item Code: 09\_25

Original Base Gel. Base layer promoting good and long lasting product adhesion to the natural nail. Base layer and upper arch strengthening layer to healthy nails. Base Gel provides strength and support to the nail, yet still complimenting the natural nails flexibly. Ideal to saturate silk.

### Conditioning Gel+

4,5g Item Code: 27\_4  
10g Item Code: 27\_10  
25g Item Code: 27\_25

Conditioning Gel is a specialised base gel which offers extraordinary adhesion for thin, sore, damaged, dry and distressed nails. This enriched base gel conditions the nail plate, promoting nail health in a concealer-foundation colour. See results after just one application.

### Gloss Gel

4,5g Item Code: 13\_4  
10g Item Code: 13\_10  
25g Item Code: 13\_25

Protective high gloss, scratch resistant gel finish to all overlay applications. Suitable for all nail types and keeps the overlay looking beautiful for weeks.

### Apex Gel

4,5g Item Code: 25\_4  
10g Item Code: 25\_10  
25g Item Code: 25\_25

Designed to create supreme strength, with a firm viscosity for creative wet gel shaping. The innovative technology of Apex Gel allows it to be applied as an upper arch strengthening layer on medium to hard nails, or as a strong support on long nails and extensions.

### Free Edge Gel

4,5g Item Code: 14\_4  
10g Item Code: 14\_10  
25g Item Code: 14\_25

Firm texture lengthening gel used to create form and silk sculpture applications, in a natural free edge colour. Provides a strong and durable free edge finish in various nail shapes and lengths.

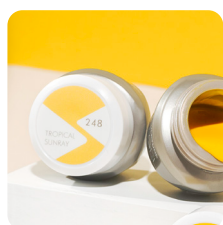

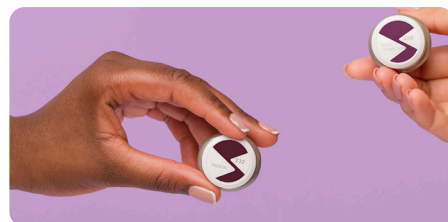

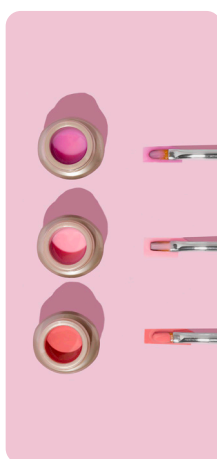

### Pink Paste

4,5g Item Code: 15\_4

- Used as a concealer
- Illusion of an extended nail plate
- Applied with a puffer

## BIOGEL Colour Gel range

- 200+ Colours
- Non-chip nail colour
- Wide range of every day wear + fashionable colours
- Delicate shimmers + glitters
- Adds firmness to overlay
- Instantly dry after UV Led curing
- 30 second curing
- Applied in 2 layers
- Stix available for every colour

## GEL POLISH

EVO is a revolutionary, professional LED gel polish in a bottle system that is easy to apply. Consisting of three pure gel base coats: EVO Oxygenating Base & Build, EVO FLEX Base and EVO CONTOUR Base & Build, each with a unique texture and purpose to suit every nail type. The bases have excellent self levelling properties for overlays, adding strength to the natural nail and to create effortlessly create beautiful nail enhancements.

The bottle and brush system allow for fast application and quick removal within 10 to 15 min, while being a complete system on its own, EVO is compatible with BIOGEL. EVO has a wide selection of highly pigmented colour gels with excellent consistency and intense nail coverage that are all named after special ladies. Colour palettes are compiled together by leading fashion experts, adding new, seasonal and trendy colours as well as everyday wear shades to the EVO family.

### Flex

Base

- Ideal for soft, thin, brittle nails
- Extreme flexibility
- Flexible overlay support

Colour palettes are compiled by leading fashion experts, adding seasonal and trendy colours, as well as everyday wear shades to the EVO Family. Six available for every colour.

# BI-OLYGEL

BI-OLYGEL is a UV gel, strengthened with acrylic paste to bring out the best properties of both gel and acrylic systems, creating a firm hard gel in a 30g tube, that is easy and quick to apply.

## Ice

30g Item Code: 200BG001

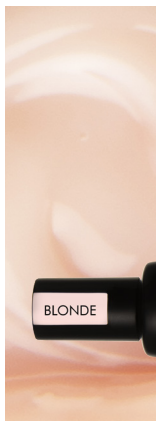

Clear gel that can be used to create glass-like sculptures

## Frost

30g Item Code: 200BG002

White gel that can be used to create a French free-edge or 3D nail art

## Blonde

30g Item Code: 200BG003

Soft nude shade gel

## Glow

30g Item Code: 200BG004

Sheer pink gel that brings a healthy glow to nails

# ETHOS

ETHOS is the Nail Care range for natural nails by BIO SCULPTURE, pledged to Nail HEALTH. The unique property of the key natural ingredient in each individual treatment is discretely displayed on its bottle. Ideal for professional salon use and home care. Each product in this range has a unique scent, colour and formulation used to support, soothe, moisturise or strengthen your natural nails.

## Vitamin Dose

A combination of vitamins to rejuvenate, moisturise and nourish nails. Infused with ginseng root extract to sustain the keratin structure and cell metabolism of the nail.

14ml | Item Code: 303/14

## Cuticle Remover

Specially designed to soften hard, dry and stubborn cuticles during nail preparation. Enhances the finish and longevity of a nail treatment.

14ml | Item Code: 300/14

## Passion Berry Exfoliant

A nail and cuticle scrub with soft alumina particles and passiflora edulis seed powder that will help to remove dry and dead cells. Kukui nut oil provides anti-oxidant properties as well as anti-aging vitamin E and ginseng root extract to nourish nails and cuticles.

14ml | Item Code: 324/14

## Kiwi Scrub

Contains passion fruit seed powder that will exfoliate and rehydrate dry nails and cuticles. Added vitamin C and E, ginseng root extract, sunflower oil and sweet almond oil which will moisturise and hydrate nails.

14ml | Item Code: 318/14

## SPS

This unique acid-free pre-gel / pre-polish treatment allows for enhanced product adhesion. It maintains a healthy moisture balance, thus allowing for easier gel removal.

14ml | Item Code: 320/14

## Volcanic Base

Enriched by volcanic stone extract to give strength to soft nails. Rich in pistachio oil to help increase nail hardness as well as flexibility.

14ml | Item Code: 316/14

## Seaweed Calcium Base

Red alga seaweed extract to help strengthen keratin structures, increasing flexibility and suppleness to brittle nails. Silica and mica leaving a smooth nail surface on ridged nails. Used as a ridge filler under GEMINI polish application.

14ml | Item Code: 317/14

## Lavender Base

Promotes natural nail health. Baobab seed and carefully selected oils to improve the natural health of the nail.

14ml | Item Code: 304/14

### Mirror Top Coat

Smooth and silky nail polish top coat to finish GEMINI applications. It has a plumping effect that increases the brilliancy of the GEMINI polish colour, resists scratching and has a long-lasting, high gloss mirror-like shine that extends the longevity of a GEMINI treatment.

14ml | Item Code: 306/14

### Blackcurrant Cuticle Oil

Contains sweet almond, sunflower and blackcurrant seed oils that are anti-oxidant with softening properties for cuticle protection. Promotes cell regeneration for a youthful appearance.

14ml | Item Code: 321/14

### Jasmine Cuticle Oil

Contains borage oil which is anti-inflammatory and has detoxifying properties. Sunflower and sweet almond oils promote healthy nail growth and long-lasting nourishment.

14ml | Item Code: 322/14

### Rosehip Cuticle Oil

A unique composition of oils including rosehip and camelia oil smooths rough and dry patches, locking moisture into nails and cuticles to keep them nourished and hydrated.

14ml | Item Code: 323/14

### Almond Oil

Infused with almond oil and extracts to combat dry nails and cuticles. Contains almond, jojoba, avocado and vitamin E oils, to rehydrate nails and keep cuticles and surrounding skin supple.

14ml | Item Code: 302/14

### ETHOS Bundle

- Vitamin Dose
- Cuticle Remover
- Kiwi Scrub
